

1731 Legacy Society

*You are cordially invited to join the
1731 Legacy Society.*

The **1731 Legacy Society** is established to build a spiritual legacy that will strengthen and extend the mission and ministry of the First Scots Presbyterian Church for the benefit of future generations.

While our pledges help support the annual operating budget and fund various ministries, there are other opportunities for us to exercise responsible and faithful stewardship that can benefit both the giver now and the church in the years to come. You can join the **1731 Legacy Society** by making a Planned Gift that provides for a gift of \$5,000 or more in your estate plan to provide enduring support for our church and its service to future generations.

Please advise the church of your eligibility to be a member of the **1731 Legacy Society**, by completing and returning a Membership Form to the church today. While monetary gifts are welcome at any time, it is through the process of our own estate planning that we can make a truly lasting impact on the mission of First (Scots) Presbyterian Church.

A perpetual plaque in the First (Scots) Education Building has been designated to recognize each member of the Society.

Gifts to the Memorial Fund can be both undesignated or designated. For instance, undesignated funds help preserve and protect our historic church property or reduce church debt. A gift of designated funds could be directed toward world mission programs. Special requests can be discussed in advance with the trustees of the Memorial Fund.

A copy of the Memorial Fund trust agreement is available upon request by you or your advisor.
